

RYA Certificates of Competence can be commercially endorsed?

- RYA Level 2 Powerboat Handling course completion certificate
- RYA Day Skipper practical course completion certificate
- RYA Advanced Powerboat Certificate of Competence
- RYA Yachtmaster Coastal Certificate of Competence
- RYA Yachtmaster Offshore Certificate of Competence
- RYA Yachtmaster Ocean Certificate of Competence

Practical certificates must be supported by a shore-based (Theory) completion certificate. If you have taken the RYA Day Skipper or Coastal / Yachtmaster theory courses online you will need to arrange to have the exam element adjudicated. Nautical Circle can arrange this for you.

You will also need to complete the following support courses and complete a Medical.

- RYA VHF Radio {SRC} Certificate
- Acceptable First aid Certificate
- Sea Survival Certificate
- PPR – professional Practices and Responsibilities
- Medical ENG1 or ML5

More detailed information about Commercial Endorsement can be found on the RYA site [click here](#).
